

“International Conference of Future Textile 2010”

*July 15(Thu.)~17(Sat.), 2010
Ueda, Japan*

Symposium Chairman

Prof. Toshihiro Hirai

(Fac. Textile Sci. & Technol., Shinshu Univ., Japan)

Symposium Co-Chairmen

Prof. Kanji Kajiwara

(Fac. Textile Sci. & Technol., Shinshu Univ., Japan)

Prof. Makoto Shimosaka

(Fac. Textile Sci. & Technol., Shinshu Univ., Japan)

Prof. Koji Abe

(Fac. Textile Sci. & Technol., Shinshu Univ., Japan)

Executive Committee

INVITATION

“International Conference of Future Textile 2010” will be held in Ueda-city, Nagano Prefecture, Japan, in the period of July 15(Thu.)~17(Sat.), 2010. We cordially invite you to participate in this biennial event for the exclusive joint symposium for 4 textile-related universities. We believe that the symposium will provide you with an eminent opportunity to share the future vision of textiles for advanced technology.

Scope of This Conference

The Symposium will be dedicated to the latest scientific, industrial and interdisciplinary fields for Textile/Fiber-oriented Advanced Technologies. We would in particular like to encourage your contributions to the following hot topics.

Session 1 Research Topics

1. Advanced Fiber materials
2. Polymer-oriented Nanotechnologies
3. Kansei Engineering
4. Marketing and Apparel

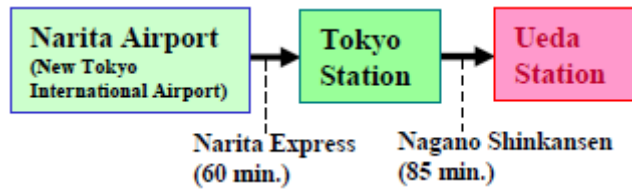

Global COE Session (Poster session)

Session 2 Research Topics

A Joint Industry-University Research Cooperation

Venue

Ueda, one of the reputed cities for beautiful scenery, historical architectures and excellent hot springs, is located in the center of Japan, and can conveniently be reached from Tokyo within ca. 85 minutes by Nagano Shinkansen Express. Faculty of Textile Science & Technology, Shinshu University, where the symposium is held, is only 15-minute-walk from the central place of Ueda-city, or within ca. 5min.by taxi.

SYMPOSIUM SCHEDULE

15 July (Thu.): Registration and Session 1

16 July (Fri.): Session 1, Session 2 and global COE session

17 July (Sat.): Closed discussion and City Excursion
