

Applicant's Knowledge
for
Master's Program at the Graduate School of Science and Technology
【Department of Biomedical Engineering (Matsumoto campus)】
Academic Year 2026 (April Admissions) and Academic Year 2025 (October Admissions)

1. Examination Card

Examination Card will be used to verify your identity on the day of the examination. Please print out a copy and bring it with you.

2. Examination Date and Time

Thursday, August 21st, 2025

After receiving your application, details of the examination administration, including the starting time of the examination, will be sent to the e-mail address registered in the application from the relevant supervisor (biomed-matsumoto@shinshu-u.ac.jp). If you have not received any notification one week prior to the examination date, please contact the Admissions Office.

3. Notes

(i) Please be sure to turn off your cell phone before entering the waiting room or examination room.

(ii) Mobile phones may not be used as a substitute for a watch during examination.

(iii) It is prohibited to talk about the content of the exam to a third party* or post it on a social networking service after the exam is over.

* Not applicable if you report the contents of the examination to your academic advisor on or after the day following the examination date.

(iv) If there are any changes in the selection process due to unforeseen circumstances (natural disasters, etc.), we will contact you via the e-mail address you registered at the time of application or notify you on our website. Please be sure to check our website for the latest information.
