ICEFT2014

International Conference on Education in Fiber/Textile 2014

- Program for Inter-University Collaborative Education -

Sep.27, 2014 Tokyo Fashion Town Building

Invitation

It is our pleasure to cordially invite you to International Conference on Education in Fiber/Textile 2014 (ICEFT 2014) –program for inter-university collaborative education– at Tokyo Fashion Town Building in Tokyo, Japan. ICEFT 2014 will take place for the first time this year and share new developments in fiber/textile science technology, focusing on the program for inter-university collaborative education.

We believe this conference will provide you with an excellent opportunity to discuss and create the future vision of advanced fiber technology.

Thank you very much and hope to meet you in Tokyo soon.

Best regards,
Kunihiro Hamada
