Choosing an Application Category

There are Three application categories – “Apply for Spring Semester”, “Apply for both Spring and Autumn Semesters”, “Apply for Autumn Semester”. Please read the following instructions, select “Apply for Spring Semester” or “Apply for both Spring and Autumn Semesters” in the Spring Semester.

■ “Apply for both Spring and Autumn Semesters”

If you wish to apply for both semesters, please circle “Apply for both Spring and Autumn Semesters” on the form of “Report of family Finances”. In this case, you don’t have to re-apply for the Autumn Semester unless there have been changes either in your circumstances or in those of your family when you submit your application in the Autumn Semester (as of October 1).

Please note that you may not receive exactly the same result for the second semester as you received in the previous semester because the application will be screened separately for each semester. Even if your financial situation is no different from that in the previous semester, the result may differ due to changes in the number of applicants or your academic record, etc.

■ You cannot select “Apply for both Spring and Autumn Semesters” if any of the following circumstances apply:

- You will graduate or complete your course in September 2026. (This includes students who continued on to Shinshu University Graduate School.)
- You will take a leave of absence or drop out of Shinshu University in this academic year.
- Your financial situation or that of your family changes between the time of application in the Spring Semester (as of April 1) and the Autumn Semester (as of October 1).

■ If any of the following circumstances apply, please go to the office and complete the application procedures before the submission deadline for the Autumn Semester.

- You have applied for both the Spring and Autumn Semesters, but wish to withdraw your application for the Autumn Semester.
- You have selected “Apply for Spring Semester”, there has been no change in either your financial situation or that of your family when you apply for the Autumn Semester, and so you can change your application to “Apply for both Spring and Autumn Semesters”.
- If you start receiving a scholarship or Grant-in-Aid from the Japan Society for Promotion of Science, please submit a copy of the scholarship certificate.

4. Announcement of results and Deadline for payment

2026 AY	Announcement period of results	Account transfer schedule
Spring Semester	August 3, 2026 ~ September 30, 2026	August 26, 2026
Autumn Semester	January 15, 2027 ~ March 14, 2027	January 26, 2027

- The exemption applications are screened each semester (Spring and Autumn). Even if there is no change in your financial situation, you may get a different result each semester because of a change in the number of applicants or your academic record. Please be sure to check the results each semester.
- Application results will be announced on the Shinshu University portal site (Campus Information System) as shown below. Each applicant is responsible for checking his/her own result by PC or smartphone during the announcement period. Please note that you will not be informed of the results by telephone or post. Please specify the reason for applying, family budget situation, and your current living situation (To be explained in detail.)

Since my father who had supported the household passed away two years ago, my mother's part-time income and grandmother's small pension aren't enough to support our family.

I have three siblings. As three of us are students, we have to pay a lot of school expenses. It is difficult for me to pay the tuition fee by the due date because we have very little savings.

Who provides your living expenses and tuition fees? (Please describe in detail.)

【Who provides your living expenses?】

My mother provides my living expenses from her savings. But it is not sufficient for my living, I am working a part-time job at restaurant to help pay my living cost.

【Who pays your tuition fees?】

I'm scheduled to be awarded Honors Scholarship from JASSO, I plan to pay the tuition fee after receiving the scholarship.
