Notes

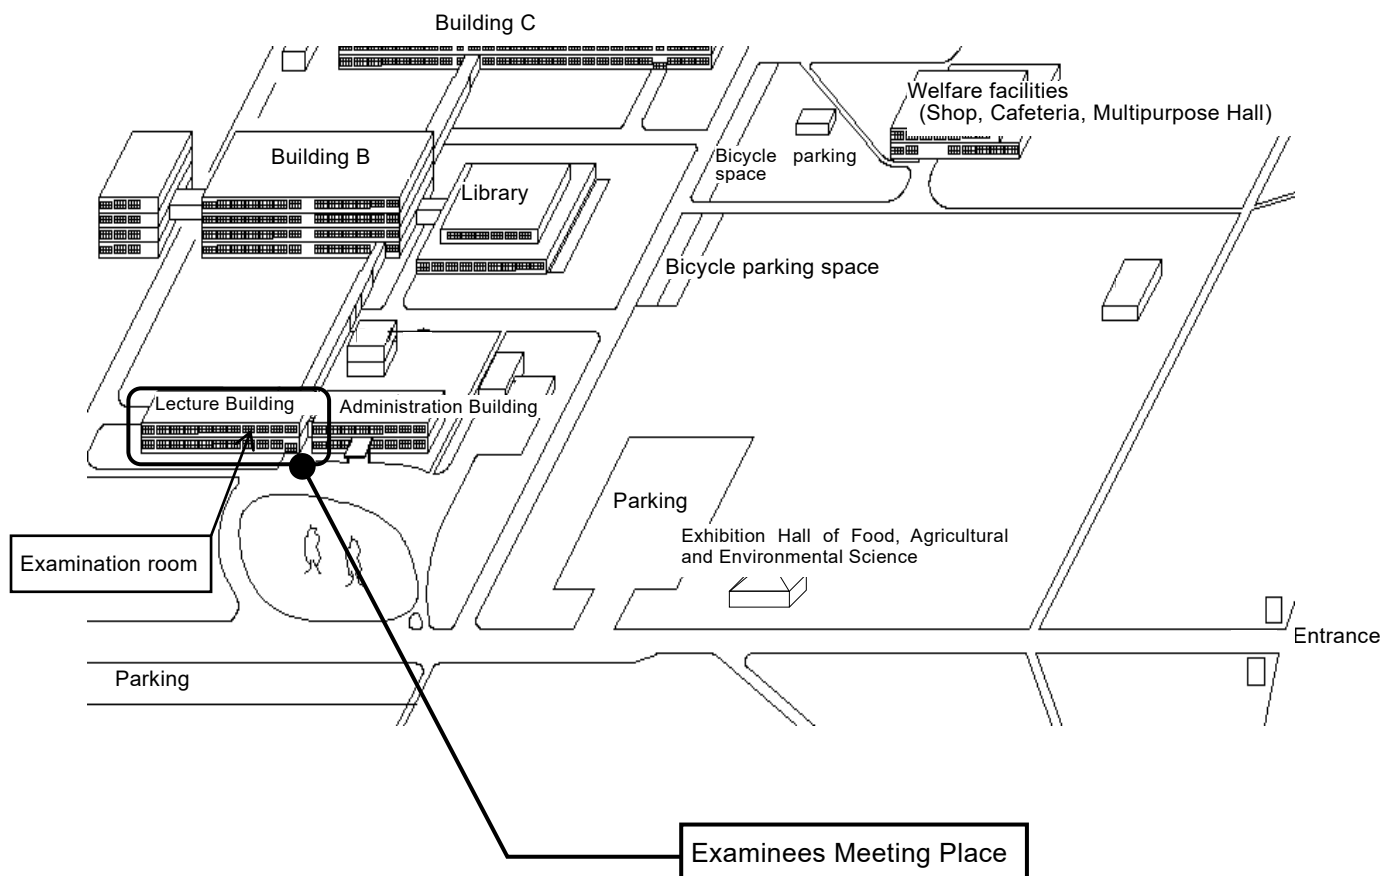

1. Please be sure to bring your **Examination Card**.
2. Bring your own laptop for the oral examination. The terminals of the projector provided by the university are HDMI and VGA (D-Sub 15-pin). If your laptop does not have an HDMI or VGA (D-Sub 15-pin) port, please prepare an adapter to connect your laptop to the projector (for example, a Type-C male connector on the laptop side and an HDMI female connector on the projector side). The university (Academic Affairs Group office) does not lend out adapters.
3. Please follow the instructions posted at the entrance of the Lecture Building.
4. If you arrive 30 minutes after the examination starts, you will not be allowed to take the examination. If you are unable to arrive on time for an examination due to a transportation accident or other reason, please contact Shinshu University (Admission Office, Department of Agriculture: nou_nyushi@shinshu-u.ac.jp) immediately. If you are late for an examination, you may be allowed to take the examination in accordance with the standards set by Shinshu University.
5. Be sure to turn off the mobile phone etc. before entering the waiting room and examination room. (Please cancel the setting of the alarm. The alarm may sound even if the power is turned off.) You can not use a mobile phone etc. for the waiting time of the oral examination.
6. There is no clock in the examination room. Please be sure to bring your own watch. If you forget a watch, please offer to have the supervisor show you the watch if necessary. Cell phones, smart phones, etc. cannot be used in place of a watch.
7. You can not enter the university building for previewing.
8. We do not offer accommodation in our university.
9. Please keep your Examination Card carefully.
10. The timetable of the oral examination will be announced on the day of the

examination. Please plan your return transportation with room for adjustment.

11. When taking the examination, please take precautions against infection by new coronavirus infection, etc. and take care of your physical condition. On the day of the examination, based on your physical condition, please take necessary precautions such as wearing a mask, disinfecting your hands upon entry, and avoiding the "three Cs" (closed spaces, crowded places, and close-contact settings).

* In the event of unforeseen circumstances (such as natural disasters) that lead to further changes in the application guidelines or the information above, we will notify you on the Shinshu University Faculty of Agriculture website, as well as by email.
