

## <NOTICE>

### **(1) Changes in application requirements and application documents for Foreign Student Application Guidelines (Special Selection) (Academic Year 2023)**

In the Foreign Student Special Selection scheduled in 2022, the following requirements will be added to the application qualifications, and the documents to be submitted as application documents will be added. If you plan to take the above entrance examination, please prepare in advance.

#### ○Application Qualifications

"Take the Japanese-Language Proficiency Test (JLPT) or Japanese Proficiency Test (JPT) between 2020 and 2022 and meet the required level (score) (\*)" will be added as an application requirement.

The levels (scores) required are as follows.

JLPT: N2 Level or higher

JPT: 525 points or more

#### ○The documents to be added as application documents

The original transcript of any of the following tests taken between 2020 and 2022

JLPT: "Japanese-Language Proficiency Test Certificate of Result and Scores" showing that you have passed N2 level or higher

JPT: "Official Score Certificate" showing that you have obtained 525 points or more

### **(2) Changes in application requirements and application documents for General Selection Application Guidelines (Academic Year 2023) (October Admissions)**

(\*)This notice does not determine the implementation of General Selection Application Guidelines (Academic Year 2023) (October Admissions).

Whether or not General Selection (Academic Year 2023) (October Admissions) to be conducted will be notified by publishing the application guidelines on the website.

For those who do not have Japanese nationality, the following requirements will be added to the application qualifications, and the documents to be submitted as application documents will be added. If you plan to take the above entrance exam, please prepare in advance.

#### ○Application Qualifications
