1. Date of examination

Wednesday, February 15th, 2022

※Time schedule will be informed by email after receiving the application.

2. Examination Subjects

Please refer to the Applicant Guideline (changes-added) from the link below for details.

<https://www.shinshu-u.ac.jp/graduate/scienceandtechnology/english/admission/textiles.php>

3. Environment and Examination Space

It is the examinee's responsibility to prepare a space that provides an appropriate environment for the examination. The environment of the space needs to meet the requirements mentioned in the next section.

4. Preparation for Examination

① Environment and Examination Space

We ask examinees to set up an appropriate place to take the examination that meets the following requirements.

- 1) Examinee should have a stable internet connection that is sufficient to have an online interview (Commercial facilities such as internet café are not acceptable)
- 2) Examinee must be alone in a room with no one else entering during the examination.
- 3) The space should be as quiet as possible to conduct an online interview.
- 4) Examinee has note-taking materials.
- 5) Examinee should carry a phone in order to talk with interviewers in case of an emergency.

② Equipment and Software

We ask examinees to prepare equipment required for a video communication such as a desktop or laptop computer, tablet or mobile device with a camera, microphone and speaker. Please complete download and installation of the most updated version of ZOOM on the computer that examinee will use for the interview. (<https://zoom.us/jp-jp/meetings.html>)

[For your information] How to change your Zoom display name

Sign in to the Zoom web portal and click Profile

→Click Edit on the right side of your name

→Enter your examinee's ID number in your First Name box

→Click on the "Save Changes"

③ Connection Test (Examinees who are enrolling for Shinshu University may be exempted for the connection test)

The Connection test date, time and the designated meeting URL will be informed to examinee's

registered email address. On the day of the connection test, please access to the informed meeting URL on the scheduled time. The purpose of the test is to confirm a stable communication on Zoom under the same environment as the examination day. The testing time will be around 10 minutes.

④ Items you should have/should not have

Examinees should have the following items at the time of examination. The tabletop and surrounding area must be clear of all items not authorized for use during the examination.

•Your examination card (Print out from the internet application website. You will be asked to provide it to verify your identity.)

•Your presentation material

•Note-taking materials

•White paper (A4 size, 3 or more) ※We may ask written answers to some questions.

5. Notes for the date of examination

- ① Please be seated in front of your device by 10 minutes before the examination time. We will have a final connection test.
- ② Once the examination starts, no one but examinee should be in a room.
- ③ At the beginning of the examination, the examinee will be asked to move the camera to show that the examinee is alone in the room and the tabletop surface is clear of all items not authorized.
- ④ During the examination, the interviewers may ask examinees written answers. In such case, write answers on white paper you prepared and show it to the interviewers through the camera.
- ⑤ Recording or taking photos during the examination and delivery of video or sound of the examination are strictly prohibited. Failure to complying this instruction will be taken as cheating.
- ⑥ Shinshu University may record examinees during the interview session (e. g. video recording). The recorded materials will not be used for any purpose other than the entrance examination.
- ⑦ Preparing for unforeseeable troubles during the examination, please have an alternate communication tool such as a smartphone with you in addition to the equipment for video conference.
- ⑧ Please follow the instructions from admission officers or interviewers if examinees receive additional instructions from them.
